Press Release

INDUS Receives Notice of ISO Standard Validation

San Diego, CA, July 23, 2018: INDUS Technology, Inc. (INDUS) a Service-Disabled Veteran-Owned Small Business (SDVOSB), Government Support Services provider, received notification of a successful International Organization for Standardization (ISO) audit with the recommendation for recertification to ISO 9001:2015.

Quality management with a customer satisfaction approach are the foundation for all services that INDUS provides. This quality management system ensures the ability to consistency provide products and services that meet the customer and applicable statutory and regulatory requirements.

INDUS is proud to update to this fifth edition of ISO, replacing ISO 9001:2008 with a more rigorous and principled standards focusing on leadership, employee engagement, approach to process improvement, evidence based decision making, risk-based thinking, and relationship management.

Mr. Eric MacGregor, INDUS President and CEO stated: "At INDUS we take our ISO practices very seriously and are pleased to be recognized for that hard work and receive the endorsement to certify to the updated ISO 9001:2015 standard."
