INDUS Announces GSA IT 70 Award

San Diego, CA, 18 January 2019: INDUS Technology, Inc. (INDUS) a Service-Disabled Veteran-Owned Small Business (SDVOSB), Government Support Services provider, received notification from the U.S. General Services Administration (GSA) that INDUS was granted award of the Information Technology Professional Services (IT 70) Schedule.

IT Schedule 70 is an Indefinite Delivery Indefinite Quantity (IDIQ) Multiple Award Schedule (MAS) contract that is an IT procurement vehicle offering a comprehensive array of state-of-the-art IT products, services, and solutions. According to GSA, IT Schedule 70 delivers the tools and expertise to shorten procurement cycles and obtain the best value for innovative technology products and services.

INDUS delivers IT services with solid corporate experience and past performance that we are now able to offer to federal, state, and local customer agencies through this vehicle. GSA has approved INDUS to participate as a prime contractor for awards in Special Item No. 132-51 Information Technology Professional Services.

Mr. Eric MacGregor, INDUS President and CEO, stated, “We are very pleased to receive this award and offer this as an option to our existing customers and to expand our business base.”

For more information about INDUS’ GSA IT Schedule 70 contract services please go to www.gsaadvantage.gov or contact INDUS at 619-299-2555, www.industechnology.com. The contract (47QTCA19D004J) award period runs from January 18, 2019 through January 17, 2024.

INDUS Technology, Inc. is an employee-owned premier provider of quality professional services for industry and government. INDUS is an ISO 9001:2015 Registered and Certified company, focusing on providing high quality Engineering Services, Information Technology, Program Management, and Financial Management services to the Department of Defense and other Government agencies.
