## **INDUS Technology, Inc Selected as one of the 2018 Best Places to Work in San Diego**

**San Diego, CA, June 5, 2018:** Congratulations INDUS! We have been selected as one of the 2018 Best Places to Work in San Diego!!

This is an excellent reflection of the great environment we live and work under. While these results reflect INDUS as competitive with other companies in San Diego with regards to benefits, management and our work environment; they also reflect the attitudes of our managers, leads and the contributions of our outstanding employees.

We have frequently been a serious contender for the top position in San Diego (12 of the last 17 years) and have been identified as the Best Place to Work in San Diego in 2006 and 2007. We have been one of the Fastest Growing Companies in San Diego 10 of the last 16 years.

We try extremely hard to offer the best benefits we can and still remain competitive to win business. We work as hard to communicate to assure that everyone in INDUS is fully aware of our operations and aspirations. We all take seriously every INDUS employee's security and ultimate success and greatly appreciate everything that each of you do to make our great company successful!

**For Release: Date**
