INDUS Announces Mr. Michael Hubbard's appointment as Executive Vice President

San Diego, CA, April 5, 2019: INDUS Technology, Inc. (INDUS) a Service-Disabled Veteran-Owned Small Business (SDVOSB), announced today the appointment of Mr. Michael B. Hubbard as Executive Vice President. Mr. Hubbard will be responsible for business development leading the company's growth initiatives, along with assisting in the operational leadership of INDUS' current business portfolio.

Mr. Hubbard brings an accomplished career with more than 20 years of experience of leadership and consulting in the government and healthcare industries. His focus on dynamic strategies, in-depth data analysis, and proven business development are an exceptional fit for the growth direction planned for INDUS in the coming years.

Mr. Hubbard most recently served as the Vice President of Global Customer Experience at NuVasive, Inc., the leader in spinal technology innovation. Prior to NuVasive, Mr. Hubbard worked at Booz Allen Hamilton in San Diego, California for 17 years where he served in various leadership roles. Mr. Hubbard holds a Bachelor of Science in Business Administration from the University of Mary Washington, and a Master of Leadership from the University of Southern California.

Mr. Eric MacGregor, INDUS President and CEO, stated, "INDUS continues on a positive growth trajectory, reinforced by our great employees and service centric culture. Michael is an exceptional addition to our team and I personally look forward to working closely with him to forge into new strategic markets. His leadership will help further foster our existing principles to ensure our employees and customers are of the utmost importance."
