

PRESS RELEASE

Ms. Lisa Ramsey joins INDUS Technology as our new Vice President, DoD Market Development

San Diego, CA, October 4th, 2021: INDUS Technology, Inc. (INDUS) a Service-Disabled Veteran-Owned Small Business (SDVOSB), is excited to announce that Ms. Lisa Ramsey is joining our team as a Vice President, driving growth across our Department of Defense markets.

Ms. Ramsey brings an accomplished 30-year government career supporting various programs and acquisition commands across the Department of Navy and DoD, to include programs within the Navigation, METOC, ISR, Command & Control, and Communication domains. Since 2014, Ms. Ramsey has served as the DPEO for Management & Budget at PEO C4I and was also selected as the Acting PEO C4I Executive Director from July 2020 through March 2021.

Ms. Ramsey attended Indiana University where she received a Bachelor of Science degree in Business, and she also holds a Master of Business Administration from the University of Phoenix. She is DAWIA Level III certified in Business Financial Management and Cost Estimating and a member of the DoD's Acquisition Corps. She is excited to support the growth of INDUS and serve our mission of delivering the highest quality professional services to our Government and Military clients.

Eric MacGregor, President and CEO, commented, *"We are thrilled to have Lisa onboard Team INDUS. Her leadership across multiple Navy and Joint experiences, along with her breadth of knowledge across DoD financial, program and mission domains, will be invaluable to our company, and to our current and future clients."*
